Environmental Policy Statement of Commitment

Diami is committed to providing customers with innovative furniture product solutions & services, whilst minimising adverse affects to the environment consistent with ISO 14001:2004

Diami maintains an Environmental Management System (EMS) to improve its environmental management and, ultimately, to reduce the environmental impacts of its operations, activities, products, and services.

Diami management confirms Diami environmental policy & will ensure that:

- a) It is appropriate to the nature, scale & environmental impacts of Diami activities, products & services.
- b) Diami is committed to continual improvement & prevention of pollution. It will seek to identify materials, processes, products and wastes that cause or may cause pollution, and will implement measures to avoid, reduce or control pollution where technically and economically viable.
- c) Diami is committed to comply with applicable environmental laws, regulations, codes of practice, and other environmental requirements to which the company subscribes.
- d) To achieve and maintain compliance, we will develop and maintain a framework (management systems) for identifying relevant requirements and for monitoring performance of related activities to meet environmental objectives & targets.
- e) Diami environmental policy systems shall be documented, implemented and maintained.
- f) The environmental policy shall be communicated to all persons working for, or on behalf of Diami.
- g) Diami environmental policy shall be available to be viewed by the public via our website: www.diami.com.au

Within the framework of the EMS, Diami commits to continually enhance and improve the Environmental Management System to ensure that it is appropriate and effective for helping us to achieve our environmental goals.
